## **THE DENTAL GYM MEMBERSHIP PLAN**

Our goal is to make dental visits more affordable so you can get the quality dental care you want and need. Our very own in-house savings plan provides you with tremendous savings!

This reduced-fee dental plan - *not dental insurance* - allows individuals or families to receive all the available dental services at Carlyle Dental for a percentage discount off the office's regular fees!

### **12-MONTH DISCOUNT**

Once the annual fee is paid for the membership program, you will be entitled to discounted-fee dental services for 12 months.

### **FAMILY MEMBERS**

Spouses, dependent children under age 19, and full-time students up to 23 years of age are also eligible for an additional membership fee. Dependent children may be members only as add-ons to the adult family members.

### **CO-PAYMENT**

Co-payments must be paid at the time of service. Any service not paid at the time of service will be billed at usual and customary fee. Valid for one year from date of sign-up.

### **ENROLLMENT**

Plan fees are valid only when paid at the time of enrollment. All family members must reside in the same household. This is not an insurance program, and Carlyle Dental is not a licensed insurer, health maintenance organization, or other underwriter of health services.
